AUDITOR'S STATEMENT

This is to certify that I have examined the books, vouchers, bank statements, and other financial records of the Town of Easton for the fiscal year ending December 31, 1958 and find them correct to the best of my knowledge and belief.

(MRS.) OLIVE J. NELSON,

Auditor.

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your town dump.

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 34 during 1957-58 received a salary of \$7,422.00 which was made up as follows: \$4,250.00 paid by the State Department of Education from the per capita tax and \$3,172.00 prorated among the several school districts. Allowance of \$1,100.00 for travel within the Union was also prorated as stated above.

Superintendent of Schools

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Easton:

I herewith submit my sixteenth annual report as Superintendent of Schools.

There were 8 pupils attending school last year: 5 in the elementary school and 3 in high school at Dow Academy.

This year there are 7 pupils attending school: 6 at Franconia Elementary and one at Littleton High School. The pupils are as follows: David Kenney, Grade 1, John Kenney, Melinda Porter and Douglas Richter in Grade 3, Joanne Kenney in Grade 4 and Robert Richter in Grade 8. Bernice Cooley is enrolled in Grade 10 at Littleton.

Because high school classes were discontinued at Dow Academy by vote of the Franconia School District Easton pupils were assigned to Littleton High School this year for the first time. Children in Grades 1 through 8 still attend the elementary school at the Dow Academy building in Franconia Village.

Easton school children are transported in one large bus contracted by Mr. Ross Taylor. Mr. Taylor is to be commended for his cooperative service and care in the selection of good drivers.

Following the suggestion made at the last school meeting we have obtained a new motion to use in raising money. We are printing this motion in the annual report and if it is found satisfactory we will continue with it another year.

A copy of Principal Kenneth Heath's report of the work at Franconia Elementary School is included in this report.

The School Board is vitally interested in the education and welfare of every child. I wish to thank each officer of the School District and all members of the community for their help and cooperation towards a successful school year.

Respectfully submitted,

RONALD A. PERHAM,

Superintendent of Schools

REPORT OF PRINCIPAL

I herewith submit my first annual report as Principal of Franconia Elementary School at Dow Academy. Inasmuch as this report takes into account the school activities engaged in during the period January 1958 to January 1959, the transition from a secondary-elementary educational plant to one of only elementary education must be realized. In this report I shall concentrate on the type of program with which we are presently operating.

Administration:

The present school year began on Wednesday, September 3, getting back to the traditional Wednesday after Labor Day opening.

This year has seen the addition of two experienced and very capable teachers, Mrs. Leone Philbrook of Sugar Hill, teaching Grades 3 and 4, and Mrs. Natalie Wheeler of Lancaster, teaching Grades 5 and 6. The retention of Mrs. Alice Leavitt as the First and Second Grade teacher keeps the learning opportunities in that room at the same high standard as witnessed in the past. In addition to my new duties as Principal I teach all Grade 7 and 8 subjects.

Part time teachers include Miss Elizabeth Billington as Arts and Crafts teacher for boys and girls in Grades 5 and 6 and girls in Grades 7 and 8, Mrs. Marion Callender, Music in Grades 1-8. Industrial Arts is still offered this year to boys in Grades 7 and 8. It is interesting to note that two students from Sugar Hill School attend these classes in Industrial Arts one day per week.

Robert McLachlin is continuing to do a very conscientious job as school custodian as well as many other duties beyond the demands of his position.

Curriculum:

The individual program of studies as presented by each teacher includes the teaching of basic fundamentals as well as other subjects which help the child to mature socially, economically, and to make every day living more successful.

Science Kits purchased by the Trustees of Dow Academy and available to all teachers, help the student to become more informed during these times of rapid and extensive scientific progress.

School Lunch:

The school lunch program, under the direction of Mrs. Karleen Tibbetts of Bethlehem, has been in effect since the first full week of school. Approximately 40 students take advantage of the hot lunch program daily, however, at present the money received from the students pays only a very small part of the food bill after deductions for Mrs. Tibbetts' wages. In order to operate a truly efficient program more revenue must be appropriated to pay the rising costs of the food. The milk bill is self-liquidating since the State reimburses the full amount of 5¢ per half-pint of milk.

School Health:

Dr. Ralph Parker, the school health officer, and nurse Gloria Washburn have given complete physicals to the students whose parents so desired in Grades 1, 2, 4, 6, and 8.

The addition of a health room to the school, the funds for which were given by the Trustees of Dow Academy, makes for a more flexible health program inasmuch as it can better fulfill the needs of the child.

School Banking:

A school savings plan is in effect for the fourth year. This plan, through the cooperation of the Littleton Savings Bank, offers all students an opportunity to develop a habit of regular weekly saving.

School Activities:

The annual Christmas program which is one of the highlights of the year was witnessed by an unusually large and appreciative audience. The ski program, this year instituted for the most part by the Parent-Teacher Association, is not at this writing in progress, however, it is

expected to be in operation shortly. The school gymnasium has been made available for use by those not only attending Dow Academy, but any other person or persons providing that they abide by the rules designed by the School Board.

Mr. Stanley Ross has willingly organized and coached our basketball team consisting of boys in Grades 5-8. The team competes in the local C.Y.O. league. The cheerleaders are girls from the 7th and 8th Grade Room.

Other activities include the annual spring concert and prize speaking, made possible by the Trustees of Dow Academy.

Conclusion:

I wish to express my thanks to the people of Franconia, the School Board, Superintendent of Schools Ronald Perham, the faculty and students for their cooperation and assistance.

Respectfully submitted,

KENNETH E. HEATH
